**NOTES:**

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020, Circular No. 20/2020 dated May 05, 2020 and Circular No. 02/2021 dated January 13, 2021 and other relevant circulars issued from time to time. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. The Statement pursuant to Section 102 of the Companies Act, 2013 in respect of the special business is annexed hereto and forms part of this Notice. In respect of Resolution at Item No. 3, a statement giving additional information on the Increase in Remuneration of Whole time Director is annexed hereto as required under SEBI Listing Regulations, as amended, read with Secretarial Standard – 2 on General Meetings.
3. Since this AGM is being held pursuant to the MCA circulars through VC/OAVM, physical attendance of Members has been dispensed with and there is no provision for the appointment of proxies. Accordingly, the facility for appointment of proxies by the Members under Section 105 of the Act will not be available for the 33<sup>rd</sup> AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
4. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. The Company has engaged services of CDSL for facilitating remote e-voting. The facility of e-voting system on the date of the AGM will be provided by Link Intime (India) Private Limited.
5. The members who have already cast their vote through remote e-voting may attend the meeting through VC/OAVM but shall not be entitled to cast their vote again at the AGM.
6. The Company has appointed CS Manish L. Ghia, Partner, M/s. Manish Ghia & Associates, Company Secretaries, Mumbai as the scrutinizer for conducting the process of e-voting and voting through VC/OAVM at the AGM in a fair and transparent manner.
7. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional

Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

8. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
9. Corporate members are requested to send their duly certified copy of the Board Resolution pursuant to Section 113 of the Companies Act, 2013 ("the Act") authorizing their representative to attend and vote at the Annual General Meeting (including through remote e-voting) or any adjournment thereof.
10. Pursuant to the provisions of Section 91 of the Companies Act, 2013, Register of Members and the Share Transfer Books of the Company will remain closed from Friday, 24<sup>th</sup> September, 2021 to Thursday, 30<sup>th</sup> September, 2021 (both days inclusive).
11. In terms of SEBI Circular No. SEBI/HO/MIRSD/DOP1/CIR/P/2018/73 dated 20<sup>th</sup> April, 2018 read with SEBI press release PR No.: 51/2018 dated 3<sup>rd</sup> December, 2018, effective from 1<sup>st</sup> April, 2019, Company's shares can be transferred in dematerialized form only. Hence members, who hold shares in physical form, are requested to dematerialize their shares, so they can transfer their shares in future, if so desire.
12. The Register of Directors and Key Managerial Personnel and their Shareholdings, maintained under Section 170 and Register of Contracts or Arrangements in which Directors are interested maintained under Section 189 of the Companies Act, 2013 will be open for inspection for the members during the AGM.
13. Members holding shares in physical form are requested to notify immediately of any change in their address or bank mandates to the Company / Registrar and Share Transfer Agent (RTA) quoting their Folio Number and Bank Account details along with self-attested documentary proofs. Members holding shares in the electronic form may update such details with their respective Depository Participants (DP).
14. Members holding shares in identical order of names in one or more folio are requested to write to the Company's RTA, viz. M/s. Link Intime India Private Limited, enclosing their share certificate(s) to enable the Company to consolidate their holding into one folio for better services.
15. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are therefore requested to submit their respective PAN details to their respective Depository Participants with whom they have their DEMAT account(s). Members holding shares in physical form can submit their PAN details to the RTA of the Company - M/s. Link Intime India Private Limited.

## LETTER FROM DIRECTOR

**Dear Shareholders,**

It is my privilege to write to you on this occasion of 33<sup>rd</sup> year of the Company - Artefact Projects Ltd.

Your Company's mission - to further foster its position as a leader in providing Technical excellence in Planning & Implementation of Infra Projects with global best practices, professional skills and commitment.

COVID-19 hit the world hard since February 2020 by way of unprecedented lockdowns, disrupted businesses and effect on health in a manner that we have never seen. India has managed to flatten the COVID-19 curve remarkably better than many other countries. This was possible by Government's timely interventions to enforce stringent health and safety guidelines.

The COVID-19 pandemic resulted in significant GDP contraction. The Government announced vigorous measures to resurrect the economy. The outlook for fiscal year 2021-22 is firmly positive. The Union Budget 2021 focuses on continued outlays to stimulate growth, to recover from the impact of COVID-19. The Government estimates US\$ 1.50 trillion in new infrastructure investments by 2025, called NIP (National Infrastructure Pipeline).

Your Company conducts business by creating a healthy and safe environment for working. Your Company has delivered to the expectations of our stakeholders during the financial year 2020-21.

It gives me immense pleasure to share with you an update on the performance of your Company for the Financial year 2020-21. Even in this volatile external environment, your Company earned Net Revenues from operations of Rs. 3460.14 lacs as compared to Rs. 3352.05 Lacs in the last financial year. The Profit After Tax (PAT) rose from Rs. 359.19 lacs to Rs. 392.41 lacs (an increase of 9.24 %). We look forward to further consolidate our growth in coming years.

Your Company is providing expertise to approx. 37 ongoing Highway Projects involving gross fees of Rs. 1.43 Billion with operations spread over 16 project sites PAN India. Your Company has leveraged its Technical Expertise and 2 Decade old successful track record. Artefact, now, is planning to widen its consultancy services to private clients and other verticals as a strategy for growth and consolidation.

We believe that the long term view on infrastructure growth shall remain positive.

In 2020-21, the share price of Artefact rose from Rs.21.90 upto Rs.42.65 per share.

I, along with other members of the Board, am thankful to our Stakeholders, Associates, Clients and Bankers for their continued support. Also, I express my gratitude to our employees for their grit and determination, which helped us navigate through the pandemic. Every member of our workforce played an important part in delivering the business objectives and goals in 2020-21. I thank everyone for their valuable contribution.

Sincerely,

**Sd/-**

- The Company's Equity Shares are under compulsory trading in DEMAT form only.
- 98.76% of the Company's Equity Shares are held in DEMAT form.
- The Company's Equity shares are freely transferable except as may be required statutorily.
- Link Intime (India) Private Limited is the Registrar & Share Transfer Agent of the Company.

### **Investor Grievance Handling Mechanism:**

All share related transactions viz. transfer, transmission, transposition, nomination, dividend, change of name/address/signature, registration of mandate/ Power of Attorney, replacement/ split/ consolidation of share certificates, demat/ remat of shares, issue of duplicate certificates etc. are being handled by Link Intime (India) Private Limited, the Registrar and Share Transfer Agent. They also discharge investor service functions effectively, efficiently and expeditiously.

Investors are required to correspond directly with Link Intime (India) Private Limited, on all share related matters.

The Board of Directors of the Company has constituted a Stakeholders' Relationship Committee (the Committee) which *inter alia*, approves issue of duplicate certificates and oversees and reviews all matters connected with share transfers and other processes. The Committee also looks into the redressal of shareholders complaints related to transfer of shares, non-receipt of Dividend etc. The Committee oversees the performance of the R & T Agent and recommends measures for overall improvement in the quality of investor services.

### **Recommendation by Company to Shareholders/Investors:**

In pursuit of the Company's objective to mitigate / avoid risks while dealing with shares and related matters, the following are the Company's recommendations to shareholders/ investors:

- **Adoption of Green Initiative:**

The Ministry of Corporate Affairs has taken a "Green Initiative in the Corporate Governance" by allowing paperless compliances by the companies and has issued circulars stating that service of notice/documents including Annual Report can be sent by e-mail to its members. To support this green initiative of the Government in full measure, members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses, in respect of electronic holdings with the Depository through their concerned Depository Participants.

- **Opening of DEMAT account and Dematerialize your shares:**

Investors should convert their physical holdings of shares into DEMAT holdings. Holding shares in DEMAT form helps investors to get immediate transfer of the shares. No stamp duty is payable on transfer of shares held in DEMAT form and risk associated with physical certificates such as forged transfers, fake certificates and bad deliveries are avoided.

- **Register ECS mandate and furnish correct bank account particulars with the Company/ Depository Participant (DP):**

Investors should provide an ECS mandate to the Company in case of shares held in physical form and in case of shares held in DEMAT form ensure that the correct and updated particulars of his bank account are available with the Depository Participant (DP). This would facilitate direct credit of dividends, refunds etc. from companies to their bank account and avoid postal delays and loss in transit.

- **Fill and submit nomination form:**

Investors should register the nominations, in case of physical shares, with the Company and in the case of dematerialized shares with their DP. Nomination would help successors to get the shares transmitted in their favor without any hassles.

- **Proper updation by the shareholders:**

There is likelihood of fraudulent transfers in case of folios with no movement or where the shareholders have either expired or is not residing at the address registered with the Company. The Company / DP should be updated on any change of address or contact details.

- **SEBI Complaints Redress System (SCORES):**

The investors' complaints are also being processed through the centralized web base complaint redressal system of SEBI. The salient features of SCORES are availability of centralized database of the complaints, uploading online action taken reports by the Company. Through SCORES the investors can view online, the action taken and current status of the complaints.

#### **Course of action in case of non-receipt of Dividend, Revalidation of Dividend warrant etc.**

Shareholders may write to the Company's R & T Agent, furnishing particulars of the dividend not received and quoting the folio number (in case of shares held in physical mode)/ DP ID and Client ID particulars (in case of shares held in DEMAT mode). The R & T Agent shall check the records and issue Demand Draft if the dividend remains unpaid in the records of the Company after expiry of the validity period of the warrant which is normally three months from the date of its issue. In case of loss of original dividend warrant the shareholders have to wait since demand draft cannot be issued till the expiry of the validity period of the original dividend warrant and the shareholder has to execute a letter of indemnity. On the expiry of the validity period if the dividend warrant is still shown as unpaid in the records of the Company, demand draft will be issued. However, demand drafts will not be issued against those shares wherein a 'stop transfer indicator' has been instituted either by virtue of a complaint or by law, unless the procedure for releasing the same has been completed.

No demand draft will be issued in respect of dividends which have remained unclaimed and unpaid for a period of seven years in the unpaid dividend account of the Company as they are required to be transferred to the Investor Education and Protection Fund constituted by the Central Government.

**FORM NO. MR-3  
SECRETARIAL AUDIT REPORT  
FOR THE FINANCIAL YEAR ENDED 31<sup>ST</sup> MARCH, 2021**

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

**To,  
The Board of Directors and Members of Artefact Projects Limited  
Nagpur**

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Artefact Projects Limited (CIN: L65910MH1987PLC044887)** and having its registered office at Block No. 106, 3<sup>rd</sup> Floor, "Artefact Towers", 54/3, Chhatrapati Square, Wardha Road Nagpur 440015, Maharashtra (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period ended on 31<sup>st</sup> March, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by "the Company" for the period ended on 31<sup>st</sup> March, 2021 according to the provisions of:

- i. The Companies Act, 2013 (**the Act**) and the Rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('**SCRA**') and the Rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment

- and External Commercial Borrowings (Not applicable to the Company during the audit period);
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the Company :-
- a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;

  - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (Not applicable to the Company during the audit period);
  - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
  - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (Not applicable to the Company during the audit period);
  - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (Not applicable to the Company during the audit period); and
  - i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015
- vi. There are no laws that are specifically applicable to the company based on their sector/industry.

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of company Secretaries of India.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc.

**I further report that:**

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

I further report that based on the information received and records maintained there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the company has

- i. ## MANAGEMENT DISCUSSION AND ANALYSIS REPORT:

This analysis report briefly describes the Company, current industry and business environment, ability of company to avail opportunities, exhibit strength, handling of threats/weaknesses, financial performance, internal controls and other related issues.

## INDUSTRY DEVELOPMENTS:

The Government has allocated Rs 20,000 crore to set up and capitalize a Development Financial Institution (DFI) – to act as a provider, enabler and catalyst for infrastructure financing and a Rs. 5 lakh crore lending portfolio will be created under the proposed DFI in three years.

Under the Bharatmala Pariyojana, with an estimated investment of Rs. 5.35 lakh crore, already 13,000 km of roads worth Rs. 3.3 lakh crore have been awarded for construction. A large amount of money has been earmarked for ongoing and new economic corridors/expressways, and Rs. 1,10,055 crore have been allocated to the Railways, of which Rs. 1,07,100 crore is for capital expenditure with a promise to complete 100% electrification of broad gauge routes by December 2023.

## BUSINESS OUTLOOK:

Increased impetus to develop infrastructure in the country is attracting both domestic and international players. In order to boost the construction of buildings in the country, the Government of India has decided to come up with a single window clearance facility to accord speedy approval of construction projects.

In the road sector, the Government's policy to increase private sector participation has proved to be a boon for the infrastructure industry as many private players are entering the business through the public-private partnership (PPP) model. India is expected to become the third largest construction market globally by 2022. India plans to spend US\$ 1.4 trillion on infrastructure projects through the National Infrastructure Pipeline (NIP), from 2020 to 2024, to ensure sustainable development in the country.

In the Union Budget 2021, the Government allocated Rs. 60,241 crore (US\$ 8.28 billion) for road works and Rs. 57,350 crore (US\$ 7.88 billion) for the National Highways. The Government plans to construct 8,500-kms road by March 2022. Moreover, an additional 11,000 kms of National Highway corridors will be completed by March 2022. The Government announced an outlay of Rs. 118,101 crore (US\$ 16.20 billion) for the Ministry of Road Transport and Highways.

The Ministry of Road Transport & Highways announced that it achieved a milestone by constructing 13,298 kms of National Highways, with construction of 37 kms per day in FY21.

The Nominal GDP is expected to grow at of 14.4% (i.e., real growth plus inflation) in 2021-22. The Revenue deficit is targeted at 5.1% of GDP in 2021-22, which is lower than the revised estimate of 7.5% in 2020-21 (3.3% in 2019-20). Fiscal deficit is targeted at 6.8% of GDP in 2021-22, down from the revised estimate of 9.5% in 2020-21 (4.6% in 2019-20). The Government aims to steadily reduce fiscal deficit to 4.5% of GDP by 2025-26.

## THE INFRASTRUCTURE SECTOR - DEVELOPMENT, OPPORTUNITIES AND THREATS:

### DEVELOPMENT AND OPPORTUNITIES:-

Infrastructure sector is a key driver for the Indian economy. The sector is highly responsible for propelling India's overall development and enjoys intense focus from Government for initiating policies that would ensure time-bound creation of world class infrastructure in the country. Infrastructure sector includes power, bridges, dams, roads, and urban infrastructure development.

Ministry for Road Transport & Highways and Micro, Small and Medium Enterprises stated that the government is giving utmost priority to infrastructure development and has set a target of road construction of worth Rs.15 lakh crore (US\$ 206 billion) in the next two years.

### National Infrastructure Pipeline (NIP)

The National Infrastructure Pipeline aims to invest Rs. 111 lakh crores by 2025 in multiple projects spanning transport, energy, social and commercial infrastructure, communication, water and sanitation, among others.

These macro developments will be a giant leap in National Infrastructure to propel India to 3<sup>rd</sup> largest economy of world and shall also throw up huge opportunities.

### THREATS:-

A threat faced by the industry is slowdown in the economy and aftereffects of Covid-19 pandemic. The government response to the pandemic of COVID 19 and the need for coordinated monetary and fiscal policy actions will determine the speed of growth of economy thereafter. Further, threats remain of constrained government revenue streams and lower tax collections.

The businesses worldwide have been hugely impacted by the outbreak of COVID-19 epidemic.

However the response of the Indian Government is quite proactive and in right direction. Hence, the threats may ultimately turn out to be an opportunity.

The Company is serving government clients like NHAI, Ministry of Road Transport, State Government Road Development Corporations and local bodies.

These agencies have awarded long term continuous contracts to the company which are time based. Hence, there is hardly any break in continuing of contracts execution.

There is no disruption in the company's project activities. The company has sufficient orders in hand to cater to next 2 years. Hence the company does not foresee any material adverse impact of Covid-19 on its current operations except slower realisations.

### RISKS AND CONCERNS:

The Company's ability to foresee and manage business risks is crucial in its efforts to achieve favorable results. While management is positive about the Company's long-term outlook, it has been taking all efforts to counter and overcome the possible short term risks and impacts.

Hence, your Company proposes to focus on its core strength in highways, mining and urban infrastructure to lower risks involved, and to focus in sectors where it has strong domain expertise. Your Company has collaborated with reputed Foreign and Domestic conglomerates for consultancy business expansion in the areas of Technology w.r.t. water supply sewage, Power generation & distribution, Railways and Metros etc. for horizontal expansion in the Infrastructure space.

Management intervention shall reduce the risk of slower revenue receipts.

#### **INTERNAL CONTROLS AND THEIR ADEQUACY:**

Your Company has adequate system of internal controls. Controls are undertaken to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and that the transactions are authorized, recorded and reported correctly. Such internal controls are supplemented by Internal Financial Control Manual and Programme of internal audits, review of documented policies, guidelines and its procedures. These are designed to ensure that financial and other records are reliable for preparing financial information and other reports and for maintaining regular accountability of the Company's assets. The internal auditors of your Company present their report on a quarterly basis to the Audit Committee of the Board.

A Management Information System covers major operating parameters and is monitored regularly by the Board of Directors. Any material change in the business outlook is considered and a response is prepared by the Management. Material deviations from planning and budgeting are reviewed on a quarterly basis by the Board for corrective actions.

#### **NET WORTH:**

As on 31<sup>st</sup> March, 2021, the Net Worth of the Company stood at Rs.4699.70 Lacs as compared to Rs. 3947.49 lacs during the previous financial year. This was mainly due to profits for the year and increase in Equity Capital of the Company by conversion of share warrants. There is significant change in the Net worth as compared to the previous financial year. The Book value of the equity shares of the company stood at Rs. 64.60 per share (Previous year Rs. 56.55 per share).

#### **SECURED LOANS:**

Total Secured Loans outstanding of the Company stood at Rs. 1605.80 Lacs as against Rs. 949.05 Lacs for the previous year. This comprised of Bank Term Loan of Rs. 601.30 lacs, working capital secured loan of Rs. Rs.1004.09 Lacs and Vehicle Loan of Rs. 0.41 Lacs.

During this year there is increase in secured loan on account of availment of Term Loan of Rs. 6 crores of sanctioned loan to company.

#### **FIXED ASSETS:**

The gross block of fixed assets stood at Rs. 2652.79 Lacs as against Rs. 2661.53 Lacs for the previous year. There is minor decrease is in Gross block of Fixed Assets on account of disposal of certain unserviceable Equipments.

#### **CURRENT ASSETS: SUNDRY DEBTORS:**

Sundry Debtors stood at Rs. 1491.52 Lacs as against Rs. 1466.15 Lacs during the previous financial year. Debtors are mainly due to project end billings and others are mainly outstanding of last quarter of the year, pending approvals. With all clients being Government/ PSU Clients, and considering their procedure for approvals, the formal approval based payments makes it a business requirement to sustain higher levels of Sundry Debtors as a normal business feature. The Company however continues to make efforts to reduce the level of debtors constantly.

#### **CASH & BANK BALANCES:**

The Cash and Bank Balances stood at Rs. 599.24 Lacs. This is higher since it mainly consists of balance with Bank in fixed deposits, being 100% cash margins for Bank guarantees issued by the company. The same shall be available to the Company once a regular Bank Guarantee limit is sanctioned to the Company.

#### **LOANS & ADVANCES:**

Current Loans and advances stood at Rs. 2531.87 Lacs (Previous year Rs. 1081.07 Lacs). The increase is a normal business requirement of Company for short term.

#### **CURRENT LIABILITIES & PROVISIONS (EXCLUDING CURRENT MATURITY OF SECURED LOAN):**

The current liabilities and provisions stood at Rs. 1609.31 Lacs (previous year Rs 1562.05 Lacs). This mainly consists of Trade Payables of Rs. 403.38 Lacs, Statutory Liability of Rs. 269.77 Lacs and other payables and provisions amounting to Rs.936.16 Lacs.

#### **HUMAN RESOURCES AND INDUSTRIAL RELATIONS:**

The Company continues its committed importance on its Human capital. Your company enjoys cordial relations at all level.

During the year, the organization structure of all key functions have been reviewed and strengthened so as to facilitate delivery of business goals.

The Company has adopted Indian Accounting Standard (IND-AS), notified under the Companies (Accounting) Rules, 2015.

At the end of the Year 2020-2021, the break-up of Human Resource was employment of 234 Technical, 112 Non-Technical and 45 Supporting Staff, total being 391 number of staff.

**INDEPENDENT AUDITORS' REPORT**

To  
The Members  
**ARTEFACT PROJECTS LIMITED**

**Report on the Audit of the Standalone Financial Statements**

**Opinion**

We have audited the accompanying Ind AS financial statements of **ARTEFACT PROJECTS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

**Emphasis on Matter:**

**We draw attention to:**

- 1) *Note No.6.01 to the accompanying Statement of audited Financial Results, regarding investment of Rs. 13.55 crores (Including cumulative interest of Rs 1.55 crores accrued thereon) in Unquoted fully compulsory convertible debentures in private unlisted companies as at reporting date. The management has represented that all investments in the said companies, based on its assessment of cash flows, investment being long term and strategic in nature and valuation report of registered external Valuers received by the company, no provision for impairment of expected Losses in accordance with Ind-As-109 "Financial Instruments" is required and the amounts are fully recoverable. We have relied on the management representation and external valuers report in this regard.*

- 2) *Note no.6.02 to the accompanying Statement of audited standalone Financial Results regarding investment of Rs. 90 Lacs in equity shares of associate company. The management based on its assessment for the current financial year and considering that the company has earned profits and has positive net worth as per audited balance sheet for the year ending 31<sup>st</sup> March 2020, is of the opinion that there is no diminution in the value of its investment in the said company and hence no provision for impairment loss is required. We have relied on the management.*
- 3) *The impact of pandemic in immediate future cannot be quantified as on date. However, the Management is of view that there is no expected significant adverse impact on the continuity of operations of the business on long term basis/ on useful life of the assets/ on financial position, etc.  
Our opinion is not Qualified in respect of above matters.*

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone financial statements and our auditor's report thereon. The Board's report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Board's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

### **Responsibilities of Management for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including Other Comprehensive Income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with Companies (Indian Accounting standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating

effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

**As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:**

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Other Matters**

The Financial statements and other financial information include the companies proportionate share in jointly controlled total assets of Rs. 116.56 Lacs, revenue of Rs. 53.39 Lacs, expenditure of Rs.52.72 Lacs and share of profit of Rs. 0.67 Lacs in joint ventures for the year ended March 31, 2021 and the elements making up the cash flow statements and related disclosures in respect of unincorporated joint ventures which is based on the audited financial statements of the respective joint ventures audited by us.

### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143 (3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company, so far as it appears from our examination of those books;
  - c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
  - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
  - e. On the basis of the written representations received from the directors as on March 31, 2021 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f. With respect to the adequacy of the internal financial controls with reference to these standalone financial statements of the company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**" to this report.
  - g. In our opinion, the managerial remuneration for the year ended March 31, 2021 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act.
  - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2016, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements as referred to in Note no. 32 to the standalone financial statements.
  - ii. The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## **“ANNEXURE A” TO THE INDEPENDENT AUDITORS’ REPORT**

**(Referred to in Paragraph 1 (f) of the Independent Auditors Report of even date to the members of Artefact Projects Limited on the standalone Financial Statements as of and for the year ended March 31, 2021)**

**Report on the Internal Financial Controls With reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the Internal Financial Controls with reference to Financial Statements of **ARTEFACT PROJECTS LIMITED (“the Company”)** as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Financial Controls over financial reporting and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

### **Meaning of Internal Financial Controls with reference to financial statements**

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records

that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls with reference to financial statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has in all material respects, an adequate internal financial control system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by the Institute of Chartered Accountants of India . The Company is primarily engaged in project consultancy business in India.

### Note 1 Basis of Preparation and Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements of the Company. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### 1.01 Basis of preparation

##### *i Compliance with Ind AS*

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Rules, 2016] and other relevant provisions of the Act.

##### *ii Historical cost convention*

The financial statements have been prepared on a historical cost basis, except for the following:

Defined benefit plans - plan assets measured at fair value; and

##### *iii Current and non-current classification*

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

#### 1.02 Foreign currency translation.

##### *i Functional and presentation currency*

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR / Rs.), which is the Company's functional and presentation currency.

##### *ii Transaction and balances*

Foreign currency transactions, if any are translated into the functional currency using the exchange rates on the dates of the transaction. Foreign exchange gains and losses resulting from the settlement of such transactions if any and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss or Other Comprehensive Income.

All foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/(losses),if any

#### 1.03 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable and is net of Service tax/ GST.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity.

##### Revenue from services

Project Consultancy Income is recognized in the accounting period in which the services are rendered,

#### 1.04 Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of reporting period in India where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulations is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

#### 1.05 Impairment of assets

Property, plant and equipment and other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount, The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of impairment at the end of each reporting period.

#### **1.06 Cash and cash equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

#### **1.07 Trade receivables**

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

#### **1.08 Investments and other financial assets**

##### *Classification*

The Company classifies its financial assets in the following measurement categories: -those to be measured subsequently at fair value (through profit or loss), and -those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will be recorded in profit or loss. For investment in debt instrument, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive Income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

##### *Measurement*

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in statement of profit and loss.

##### *Debt Instruments*

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset.

##### *Equity Instruments*

The Company subsequently measures all equity investments at fair value. Dividends from such investments are recognised in profit or loss as other income when the right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

##### *Impairment of financial assets*

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised.

For trade receivables, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

##### *Derecognition of financial assets*

A financial asset is derecognised only when: The Company has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

#### **1.09 Property, plant and equipment**

Property, plant and equipment are stated at historical cost less depreciation and impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

##### *Transition to Ind As*

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

##### *Depreciation methods on above*

Depreciation on property, plant and equipment (other than leasehold land, leasehold improvements, continuous process plant and machinery and vehicles) is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as prescribed under Schedule II to the Companies Act, 2013, which approximate the useful lives of the assets estimated by the management.

The residual values are not more than 5% of the original cost of the asset. The asset's residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period.

The residual values are not more than 5% of the original cost of the asset. The asset's residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

#### **1.10 Intangible assets**

Acquired intangible assets are shown at historical cost. They have a finite useful life and are subsequently carried at cost less accumulated amortisation and impairment losses, if any.

##### *Amortisation methods and periods*

The Company amortises intangible assets with a finite useful life using the straight-line method over the following periods: Computer software: 3 years

##### *Transition to Ind AS*

On transition to Ind AS, the Company has elected to continue with the carrying value of all of intangible assets recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

#### **1.11 Trade and other payables**

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 90 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

#### **1.12 Borrowings**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

#### **1.13 Borrowing costs**

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

#### **1.14 Provisions, Contingent Liabilities and Contingent Assets**

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

Provisions for legal claims, service warranties, volume discounts and returns are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to anyone item included in the same class of obligations

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A contingent assets is disclosed and not recognised, where an inflow of economic benefits is probable.

#### **1.15 Employee benefits**

##### *Short-term obligation*

Liabilities for salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employee's services upto the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

#### *Other long-term employee benefits obligations*

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

#### *Post employment obligation*

The Company operates the following post-employment schemes: defined benefit plan, i.e., gratuity, defined contribution plans such as provident fund.

#### Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets.

This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

#### Defined contribution plans

The Company pays provident fund and employee state insurance contributions to government administered Employee Provident Fund Organisation and Employee State Insurance Corporation respectively. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

#### **1.16 Dividends**

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

#### **1.17 Earnings per share**

*Basic earnings per share is calculated by dividing: the profit attributable to owners of the Company, by the weighted average number of equity shares outstanding during the financial year,*

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account: the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

#### **1.18 Recent accounting pronouncements** Standards issued but not yet effective

In March 2017, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments to Ind AS 7, 'Statement of cash flows' and Ind AS 102, 'Share-based payment'. These amendments are in accordance with the recent amendments made by International Accounting Standards Board (IASB) to IAS 7, 'Statement of cash flows' and IFRS 2, 'Share-based payment,' respectively. The amendments are applicable to the Company from April 1, 2017.

Amendment to Ind AS 7:

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement.

The company is evaluating the requirements of the amendment and the effect thereof on its financial statements is being evaluated.

#### **1.19 Inventories**

Inventories represents the WIP in respect of Project Management Consultancy Services in progress and remained unbilled. Inventories have been valued at cost.

#### **1.20 Accounting for Joint Venture Operations**

The Financial Statements reflect the share of the Company's assets and liabilities as well as income and expenditure of Joint Venture. Operations which are accounted for according to the participating interest of the company as per the various Joint Venture Agreements on a line by line basis along with similar items in the company's financial statements.

#### **1.21 Provision for current and deferred tax**

Provision for current and deferred tax is made after taking into consideration benefits admissible under the Provision of Income Tax Act 1961. Deferred tax resulting from timing differences "between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. The deferred tax asset is recognised and carried forward only to the extent that there is reasonable/virtual certainty that asset will be realized against future taxable profits.

## **Note 2**

### **Critical Accounting Judgements, Estimates and Assumptions**

The preparation of the financial statements requires management to exercise judgment and to make estimates and assumptions. These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

The areas involving critical estimates or judgements are as under:

#### **a Estimation of current tax expenses and payable:**

Taxes recognized in the financial statements reflect management's best estimate of the outcome based on the facts known at the balance sheet date. These facts include but are not limited to interpretation of tax laws of various jurisdictions where the Company operates. Any difference between the estimates and final tax assessments will impact the income tax as well the resulting assets and liabilities.

#### **b Estimated fair value of unlisted securities:**

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgement to select a variety of methods and make assumptions that are mainly based on the market conditions existing at the end of each reporting period.

#### **c Useful lives of property, plant and equipment and Intangible assets:**

Depreciation and amortization is based on management estimates of the future useful lives of the property, plant and equipment and intangible assets. Estimates may change due to technological developments, competition, changes in market conditions and other factors and may result in changes in the estimated useful life and in the depreciation and amortisation charges.

#### **d Estimation of defined benefit obligation:**

The liabilities of the company arising from employee benefit obligations and the related current service cost, are determined on an actuarial basis using various assumptions

#### **e Impairment of financial assets (including trade receivables):**

Allowance for doubtful receivables represent the estimate of losses that could arise due to inability of the Customer to make payments when due. These estimates are based on the customer ageing, customer category, specific credit circumstances and the historical experience of the group as well as forward looking estimates at the end of each reporting period.

#### **f Estimation of Provisions and contingencies:**

Provisions are liabilities of uncertain amount or timing recognised where a legal or constructive obligation exists at the balance sheet date, as a result of a past event, where the amount of the obligation can be reliably estimated and where the outflow of economic benefit is probable. Contingent liabilities are possible obligations that may arise from past event whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events which are not fully within the control of the Company. The Company exercises judgement and estimates in recognizing the provisions and assessing the exposure to contingent liabilities relating to pending litigations. Judgement is necessary in assessing the likelihood of the success of the pending claim and to quantify the possible range of financial settlement. Due to this inherent uncertainty in the evaluation process, actual losses may be different from originally estimated provision.
